

## ACKNOWLEDGEMENT

Grateful thanks are expressed to the following people who helped me in one way or another while I supervised the Study Project on Circulation Systems of Production Materials in China and edited this book: Prof. Chang Qing, Senior Research Fellow, Development Research Center, State Council of P.R.C. for organising the Study Group of this Project practically, and his guidance based on his profound knowledge and experience in the field concerned: Ms. Liao Ying Min, Senior Research Fellow, Development Research Center, State Council of P.R.C. for managing the study meetings successfully: Mr. Kyoichi Ishihara, Senior Researcher, the Institute of Developing Economies for his useful advice: Ms. Keiko Kubota and Ms. Kiyomi Nomura for their helping with editing.

Special mention must be made of convenience offered by Director Edward K.Y.Chen, Ms. Coonoor Kripalani Thadani, Ms. Carol Chan, and the other members of staff at the Centre of Asian Studies, the University of Hong Kong.

8th Feb. 1994

T. Harada
