

Appendixes

APPENDIX A

MAIN CENTRAL GOVERNMENT ENTERPRISES IN KARNATAKA

Indian Telephone Industries Ltd. (1948)

It was the first public sector enterprise set up in India. The unit in Bangalore was also started in 1948 with several divisions for manufacturing strowger, crossbar transmission, telephones, defense equipment, etc.

Hindustan Machine Tools Ltd. (1955)

There are HMT-I and II, watch factory-I and II, horological division, and specialized watch case division. Paid up capital is 373.1 million rupees.

Bharat Electroncis Ltd. (1956)

The Bangalore complex is engaged in the manufacture of electroncis and communication equipment for defense, meteorology, and All India Radio and Post and Telegraph.

Hindusthan Paper Corporation (1962)

As a subsidiary of the Hindusthan Paper Corporation, the Mandya National Paper Mills Ltd. was set up in Mandya district in 1962. Paid up capital is 100.6 million ruppees. It is the first unit to produce paper out of bagasse.

Bharat Gold Mines Ltd. Kolar (1962)

Formerly it was the Kolar Gold Field of Mysore which was taken over by the government of Mysore in 1956. It was nationalized by the central government in 1962.

Hindustan Aeronautics Ltd. (1964)

Established in 1964 with eleven manufacturing divisions, a service division, and a design and development complex spread over six states.

Bharat Earth Movers Ltd. (1965)

It is engaged in manufacturing transportation equipment. Paid up capital is 300 million rupees.

Cement Corporation of India (1972)

It has a unit at Kurkunta in Gulbarga district with an annual production capacity of 0.2 million tonnes.

APPENDIX A (Continued)

Kudremukh Iron Ore Co. Ltd. (1976)

It was established in April 1976 for the purpose of supplying iron pellet to Iran. Project was completed in August 1980 but due to political development, Iran could not import ore concentrate. In the calendar year of 1986, the total production was 3,371 million tonnes of concentrate. Pellet and iron ore concentrate are exported to Australia, Czechoslovakia, France, Hungary, Japan, and Yugoslavia. Paid up capital is 6,345 million rupees.

Bharat Heavy Electricals Ltd. (1977)

The BHEL produces electrical control systems which are used for control and monitoring of power plants, process industries, metallurgical industries, mining, and material handling industries.

Tungabhadra Steel Products Ltd.

A joint enterprise with the state government of Andhra Pradesh and the Government of India. Paid up capital is 30 million rupees.
